January 2022

Dear Parents:

Pre-Registration for next year begins on **January 13th**; we are attaching an application for your child.

Pre-Registration is in effect until Friday, January 28th. You may turn in your application and registration fee at any time during this period. Once Pre-Registration is over, we will be accepting applications from the public. Please note that applications are processed in the order that they are received. Several of the classes that we offer have limited space therefore we suggest that you register early. **You must include the registration fee for us to register your child. For returning students the registration fee is \$75; family max \$130.**

If you currently have a student enrolled, are a member of the Congregational Church of Batavia, or are an alumni family you are eligible to register during this Pre-Registration period.

If you have a friend that would like to register, you may request an application for them. We'll be sure to include the instructions for them regarding the email registration that is scheduled for January 29th. Applications and all instructions are also available on our website.

Thank you for being a part of our Batavia Nursery School family!
